

**FOR IMMEDIATE RELEASE**

**QUEENSLAND BUILDING DESIGN AWARDS  
REGIONAL WINNERS AND REPRESENTATIVES FOR STATE DESIGN AWARDS**

The 2008 Queensland Building Design Awards, Central Queensland Regional winners have been announced. All the winners will now represent their region, competing with winners from across the state for the prestigious Queensland Building Design Awards to be announced in August.

**Central Queensland designers named regional winners**

Winner of the *Custom Designed Homes 351 - 450 square metres* category was "Bruigom House" from Ben Dye of Gladstone building design practice, BKD Designs. Unique in design, the two storey home offers four bedrooms, an office and rumpus room. Set to maximise the surrounding water views, the design incorporates large outdoor living areas and terraces. The curved entry wall adds to the homes aesthetic appeal and uniqueness.

Glenn Thomasson of Rockhampton practice, Designtek took out the Custom *Designed Homes over 450 square metres* with his design of McCamley Residence. The attractive and modern two storey home is simple in layout and modest in design to the street scape. While maintaining the character of the surrounding neighbourhood, the design maximises ocean views from living and entertaining areas and also includes a lap pool, heated spa and sauna.

**Ends**
